

REQUEST FOR PROPOSAL

Republic Hailstorm Restoration Project - April 2026 Storm Event

Springfield–Greene County Library District
4653 S Campbell Avenue
Springfield, MO 65810

Request for Proposal

The Springfield–Greene County Library District (“the Library”), a political subdivision of the State of Missouri, invites qualified firms to submit a proposal for completion of the restoration work described herein. Please break out pricing per scope.

Project Background

The Library Station facility and certain tenant-occupied areas located at 921 North Lindsey Ave, Republic, Missouri, sustained significant damage during the severe hailstorm event that affected Springfield and surrounding areas in April 2026. Damage includes, but may not be limited to, roofing systems, exterior envelope components, awnings, HVAC equipment, interior finishes, and related building elements.

The Springfield-Greene County Library District is seeking qualified contractors to provide labor, materials, equipment, supervision, and related services necessary to restore damaged facilities to pre-loss condition and complete other work identified within this solicitation.

The Library may seek reimbursement from insurance proceeds, FEMA Public Assistance, and/or other disaster recovery funding sources. Contractors shall cooperate with all documentation requirements necessary to support such funding requests.

Please submit an electronic copy of your proposal to: **proposals@thelibrary.org**

Deadline: 3:00 p.m. CDT, Thursday July 30, 2026

Walk-through will be on Jul 22, 2026 at 9:00 a.m. at the site. Attendance is mandatory.

All questions concerning this RFP must be submitted no later than 5:00 p.m. CDT on July 24, 2026. Responses will be issued by written addendum. Only written addenda issued by the Library shall modify the requirements of this solicitation. Oral statements or interpretations shall not be binding. All questions must be directed to:
